Product highlights

CHEF mode Exclusive: In Chef Mode, the oven automatically manages all cooking settings (temperature, mode and cooking time). Select the type of dish, put it in the oven at the recommended level and enjoy it when it is done. That's it!

Low Temperature cooking This exclusive function cooks meat, poultry and fish evenly, evenly and gently below 100°. This perfectly controlled cooking process produces dishes of incomparable tenderness.

Soft close door This system allows for smooth and quiet closing. Softclose closure helps to ensure that your oven is protected for a long time.
