## Oven

Ref.: DOP8574W

## Product highlights

**CHEF mode** Exclusive: In Chef Mode, the oven automatically manages all cooking settings (temperature, mode and cooking time). Select the type of dish, put it in the oven at the recommended level and enjoy it when it is done. That's it!

**Low Temperature cooking** This exclusive function cooks meat, poultry and fish evenly, evenly and gently below 100°. This perfectly controlled cooking process produces dishes of incomparable tenderness.

**Soft close door** This system allows for smooth and quiet closing. Softclose closure helps to ensure that your oven is protected for a long time.

### FEATURES

|                          |                      |
|--------------------------|----------------------|
| Construction type        | Built-in             |
| Energy type              | Electric             |
| Cooking mode             | Multi-function +     |
| Type of cavity cleaning  | Pyrolysis            |
| Colour                   | White                |
| Programmer name          |                      |
| Number of knobs          | 1                    |
| Inner door type          | Sliding full glass   |
| Door opening             | Drop-down Soft close |
| Volume of water tank (L) |                      |
