| Brand           | DE DIETRICH   |
| Commercial code | DPE3601WM     |
| EAN code        | 3660767991385 |
| Customs code    | 85166050      |

### FEATURES

|                          |                                      |
|--------------------------|--------------------------------------|
| Construction type        | Built-in                             |
| Hob type                 | Mixed gas / electric                 |
| Top material             | Enamelled steel                      |
| Colour                   | White                                |
| Finishing                |                                      |
| Width (cm)               | 60                                   |
| Energy type              | <Empty UK value>                     |
| Type of gas by default   | Natural 20 mbar                      |
| Alternative gas type     | Butane / Propane                     |
| Delivered injectors      | Injector wrench,injectors G30/29mbar |
| Number of zones          | 4                                    |
| Number of gas burners    | 3                                    |
| Flexible zone            | No                                   |
| Control type             | Knobs                                |
| Electronic type          |                                      |
| Type of timer            |                                      |
| Control colours          |                                      |
| Ignition system          | Integrated                           |
| Type of supporting grids | Multiple burners                     |
| Number of grids          | 2                                    |
| Grid material            | Enamelled wire                       |
| Connectivity             | No                                   |

## Product highlights

**Ergonomics** The front controls are ergonomically designed for both right- and left-handed users. The shape of the levers provides an excellent grip for precise adjustments.

**Easy to use** No need for matches or lighters: easy and convenient electronic ignition with single-handed operation.

### PERFORMANCE

|   | Cooking zone A      | Cooking zone B      | Cooking zone C      | Cooking zone D      |
